

Coral Reef Snorkel or SCUBA Dive Trip

- 1 Day Trip from the city of Veracruz –

Trip Highlights:

- *Underwater Exploration using Snorkel or SCUBA gear in the protected waters of The Veracruz Coral Reef System National Park*

Only a short 20 minute boat ride from the city of Veracruz, you will encounter a beautiful underwater world filled with coral reefs, thousands of colorful tropical fish, turtles, shellfish, and over 350 old sunken ships. Welcome to **The Veracruz Coral Reef System National Park**. This closely protected Mexican national underwater park consists of 23 coral reefs spread out up and down the Veracruz coastline near the port city. This is a snorkeler's and SCUBA diver's hidden paradise.

The Itinerary

Trip starts at a local dive shop in the city of Veracruz where you will be fitted for your snorkel or SCUBA equipment (for certified divers). From there, you will walk about 100 yards to the dive boat which is waiting to take you to the reefs. This will be a 2 tank dive for certified SCUBA divers and snorkelers will explore in a more shallow area to better enjoy the reefs. On most trips, you will get to experience two different areas of this huge underwater park. Sandwiches and cold drinks will also be provided on board for you.

Note: If you are not a certified SCUBA diver, you can sign up for a one day program called, *Try SCUBA*. This package includes classroom instructions, SCUBA gear rental, and a one tank diver with a certified Dive Master accompanying you.

Afterwards, you can shower and change clothes back at the dive shop.
