

Whitewater River Rafting & Zipline

- One Day Tour from the City of Veracruz -

Trip Highlights:

- Exciting Class 2 & 3 Whitewater River Rafting Trip
- High Speed Zipline Ride over the River
- Lunch in a Small Riverside Town

The state of Veracruz is known as the “Whitewater River Rafting Capital of México.” The combination of the Sierra Madre Oriental Mountains to the west and the large amounts of rainfall that occurs in this tropical state on these mountains cause many small streams to form and flow downward. These small streams eventually turn into fast flowing rivers. These fast flowing rivers over the ages have carved some deep and narrow canyons where the waters have become class 2-4 rapids. People from all over the world come to either raft or kayak these excellent rapids.
